MARIETTA HIGH SCHOOL PROFILE | 2022-2023

Community Description:

Marietta City Schools serves the educational needs of Marietta, GA. Located in one of the state's fastest growing areas, the district enjoys a diversified economic base. Located in Cobb County, but not affiliated with Cobb County Schools, Marietta operates as its own district. Currently, the district consists of one high school, one middle school, one sixth grade academy, eight elementary schools, and one early learning academy all together serving students Pre-K-12.

School Description:

Marietta High School is a comprehensive four-year public charter high school enrolling 2,661 students in grades 9–12. When the Marietta City School district was established in 1892, there were two main high schools, Marietta High School (for white students) and Lemon Street High School (for black students). In 1967, the Marietta City School System merged the two schools, allowing all students in the City of Marietta to attend Marietta High School. Marietta High is a International Baccalaureate (IB) world school and a Georgia College and Career Academy. Marietta High School is accredited by the Southern Association of Colleges and Schools and Cognia (formerly Advanced Ed) and holds membership in the College Board, National Association for College Admission Counseling and the Southern Association for College Admission Counseling.

Notes on Our Curriculum:

- The academic program is organized on a rotating A/B block schedule. Students take four 85-minute block classes every other day. Four credits per semester is the maximum course load. There are two semesters in the August-May year. Credits granted each semester independently.
- Computer Science Principles and/or Programming, Games, Apps & Society meets the fourth science, or fourth mathematics, or world language requirement; Two computer science courses from the same pathway will satisfy two years of sequenced foreign language courses.
- Advanced core curriculum includes IB courses for all students (Non-Diploma, IB Diploma, and Career-Related Certificate Candidates).
